RE: PROFESSIONAL REFERENCE FOR Indsys Computers

Dear Sirs,

Our experience with Indsys Computers (p) Ltd. has been most rewarding. They are one of the few companies that have not only adopted REVIT but also have a sizeable highly skilled technical REVIT team. They were equally adept at handling the structural detailing of both small residential and large-scale commercial projects with a quick turnaround time. We are very satisfied with their work, and will continue to develop this business relationship.

Sincerely
